The apartment is situated on the 2nd floor out of 2, the top floor, which ensures pleasant natural light throughout the day. The layout consists of an entrance hallway, a bathroom with a bathtub, a separate toilet, 2 separate rooms, kitchen connected to the living room, and a balcony. The balcony is accessible from the living room and is oriented towards a quiet green area, ideal for a morning coffee or evening relaxation.

Heating in winter and cooling in summer are provided by underfloor heating, and hot water is supplied by a heat pump.

Location

The apartment is located in a building with only 4 units and is set in an excellent location just 10 km from Bratislava. The Aupark shopping center in Bratislava is accessible within 10 minutes by car or 25 minutes by bicycle (entirely via a bike path). Within 500 meters, there is a train station, bus stop, kindergarten, school, and nursery. The village offers full civic amenities including grocery stores, restaurants, a café, and a post office. It also provides great opportunities for outdoor recreation, including playgrounds, a horse ranch and cycling paths.
